100%

Career Progress After Graduation

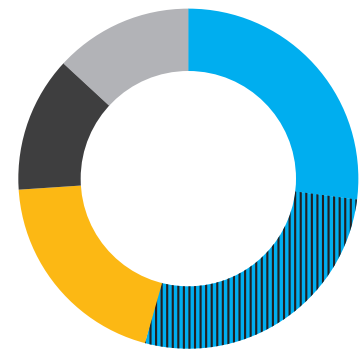

The Finance track of the part-time M.Sc. program at HHL empowered me to enhance my academic proficiency in management and finance, all while propelling my professional journey. During my time at HHL, I was surrounded by a dynamic cohort of diverse and motivated peers, each with valuable practical experience, fostering a unique exchange and forging lifelong connections. Furthermore, the exceptional career service at HHL played a pivotal role in my personal growth and gave me a significant advantage in the competitive world of management consulting.

Timo Aust, Part-time M.Sc. | Finance Alumnus,
Manager Financial Services at Horn & Company

Sectors in which our part-time M.Sc. alumni work

→ **86%** of students switched their career after graduation (function and/or sector).

Class Profile and Network

The lively mix of **diverse professional backgrounds** broadens everyone's perspectives and enhances class discussion. You'll build a **tight-knit and very unique network** in an **inspired learning environment**. This lifelong network will be the source of continuous support even after you have completed your degree. You will study with like-minded and committed people who share the same passion for shaping the future.

#4

Career Service worldwide
(FT Master in Management Ranking 2024)

In order to do an active career management it is crucial to know who you are. We want to guide you to find your unique potential to attain a rewarding and a fulfilling career.

Philipp Apke
Manager Career Development/
Employer Relations

Studying part-time at HHL in the first Finance Track has been nothing but rewarding for me and helped me to grow both professionally and personally. Often, I learned as much from my peers as from the lecturers and we created an environment of mutual encouragement and empowerment to become better. Today, this helps me to navigate the daily challenges with more self-confidence and creativity.

Johanna Echterhoff
Part-time M.Sc. | Finance Alumna
Head of CFO Support & Commercial Projects at Elmos
